Hello Readers and Families!

Hooray! It's another beautiful summer on the shores of the Niagara River and Lake Ontario, and the Summer Reading season is here again at the Youngstown Free Library!

This summer, it's all about OCEANS OF POSSIBILITIES! We're tilting our theme to the freshwater rivers and lakes around us. From fish to shorebirds, sailboats to canoes, we're exploring the waters around us with stories and learning activities this year. All these great programs are FREE, and none require registration!

In addition to the programs, children and teens are invited to sign up for the Summer Reading Challenge, a summer-long challenge to read as much as they can. Those who record their reading achievements earn great prizes!

Questions? Call or message the library — we're here to help! Let's make waves at the Library this summer!

~Miss S.

The Summer Reading Season would not be possible without the generosity of our creative program volunteers and generous community grant providers.
